

The Washington International Horse Show

October 21-26, 2008

Shipping and Arrival

In the interest of making the shipping process to and from the Verizon Center as smooth as possible, the following procedures will be implemented:

- All vehicles bringing horses to the Verizon Center are required to come to Prince George's Equestrian Center as a preliminary staging point.
- All horses will be shipped to and from PG Equestrian Center by Johnson Horse Transportation, the official shipper of the Washington International.
- WIHS personnel will be at the PG Equestrian Center to coordinate this process.
- A round trip transportation charge of \$150 will be placed on each horse's invoice. This charge includes a stall for any short term waiting period at PG Equestrian Center.
- Layover stabling (\$150 if paid with acceptance; \$200 if paid later), camper spaces (\$150), and parking for trucks and trailers (free) are available at the PG Equestrian Center.
- All Open Jumper horses must be on the grounds of the PG Equestrian Center by 3:00 PM on Wednesday, October 22, 2008. All horses, along with passports and proper credentials must be presented at that time for Official Horse Inspections. Horses will then be shipped by Official Shipper to the Verizon Center between 5pm and 8pm. Stabling will be available at PG Equestrian Center.
- All WIHS Equitation horses must be at the PG Equestrian Center by 3:00pm on Thursday October 23 and will be shipped to the Verizon Center between 3pm and 7pm.
- All WIHS Equitation ponies must be at the PG Equestrian Center by 3:00pm on Friday October 24 and will be shipped to the Verizon Center between 3pm and 7pm.

When you arrive at the PG Equestrian Center, please check in with the stabling/shipping office to schedule your horse's shipping to the Verizon Center.

Attached is a schedule for the shipping of horses. Please be aware that arriving at the Verizon Center without checking in first at PG Equestrian Center will result in horses and equipment NOT being allowed to unload and being sent back to the PG Equestrian Center. Stabling will be available at the PG Equestrian Center. Beginning Thursday, October 16, WIHS stabling personnel can be reached at (240) 422-0662 for further information and feed and bedding requests. Please call ahead so that we are aware of your needs.
