# RULES & REGULATIONS

## ENTRIES

**ENTRIES CLOSE TUESDAY, SEPT. 7, 2010.** Entries postmarked after midnight Tuesday, Sept. 7, will not be accepted, with the following exception: If a section does not fill, management may accept late entries using the alternate qualifying criteria outlined below.

**Please note that all horses (except WIHS Equitation and WIHS Regional Finals), including WIHS Children's & Adult Championships, must be entered.**

The U.S. Post Office date will be considered the effective date of mailing for entries received bearing a U.S. Post Office postmark as well as a postage meter date. For entries received bearing a postage meter date and no U.S. Post Office postmark, the metered date will be considered the official postmark only if received within seven days of the postage meter date.

**Entries should be mailed directly to WIHS and entry questions should be directed to:**

**WIHS, 3299 K Street NW, Suite 600, Washington, DC 20007**  
**ENTRY QUESTIONS CALL:**  
**(859) 608-3709 (8:00 AM-7:00 PM only)**  
**email: WIHSsecretary@aol.com • fax: (202) 525-3686**

Please submit a separate entry form for each horse. Forms may be copied. Prize list and forms also are available on [www.wihs.org](http://www.wihs.org). Entries may be completed online at [equestrianconnect.com](http://equestrianconnect.com) and then printed and mailed to the address above.

**Enclose \$150 application fee (non-refundable) for each horse entered (no fee for WIHS Children's & Adult Championships). DO NOT enclose entry or stall fees at this time. All checks must be in U.S. funds and made payable to the WIHS.**

Each entry form must be signed by the owner, rider, trainer and coach (if applicable) and said signature shall constitute verification that the information contained thereon is accurate to the best of the signer's knowledge and belief. Any falsification of entry information will result in disqualification of the entry and forfeiture of entry and stabling fees.

USEF measurement cards, amateur certification, and membership cards or copies must be provided to the Horse Show Office before numbers will be released.

## QUALIFICATIONS

The show will limit the number of entries accepted in all sections. Qualifying lists will be posted in mid-September on the Washington International Horse Show website at [www.wihs.org](http://www.wihs.org).

**Acceptance letters will be emailed** in mid-September to the name and address specified on the entry form. Payment in full as billed in the acceptance invoice must be postmarked by the specified date; entries not paid in full by the specified date will not be permitted to show.

Non-negotiable checks will disqualify the entry and the exhibitor will be charged a \$150 collection fee. Exhibitors with outstanding debts to WIHS will not be allowed to compete.

If the qualifying list is exhausted and spaces are still available in a section, the following alternate qualification criteria will be used:

- Any horse applying for acceptance in a section must have shown in that section within the specified qualifying time period but need not necessarily have won points.
- Horses accepted based on the alternate qualifying criteria must have submitted an entry and will be accepted on a first-come, first-served basis.

A mandatory office fee of \$50 will be assessed for each entry.

## PRIZE MONEY

Prize money will be mailed within 30 days following the show to the owner or designee as listed on the entry form. **No prize money will be mailed unless the owner's social security number and complete address is listed on the entry blank. Prize money won by foreign competitors: Be advised that the U.S. Internal Revenue Service requires sporting events to withhold 30% of prize money won in the United States. Foreign competitors should apply for a U.S. Social Security number and will be asked to complete form W-8BEN or complete a W-8 Certificate of Foreign Status form.**

**All prize money and refund checks must be cashed by December 31, 2010. After that date, checks are null and void and will not be re-issued.**

## THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

WAIVER: THE WASHINGTON INTERNATIONAL HORSE SHOW ASSOCIATION, LTD., SHALL NOT BE RESPONSIBLE FOR ANY ACCIDENT, LOSS, INJURY OR DAMAGE TO PERSONS OR PROPERTY WHICH MAY OCCUR TO ANY SPECTATOR, GUEST, RIDER, DRIVER, GROOM, TRAINER, ATTENDANT OR OTHER EMPLOYEE, ANIMAL OR EQUIPMENT AT THE WASHINGTON INTERNATIONAL HORSE SHOW, AT THE PRINCE GEORGE'S EQUESTRIAN CENTER OR WHILE BEING TRANSPORTED BETWEEN THE PRINCE GEORGE'S EQUESTRIAN CENTER AND THE SITE OF THE WASHINGTON INTERNATIONAL HORSE SHOW.

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses/ponies. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.

The certificate shall include the name of the owner and address, destination, number of horses examined, the name, registration numbers(s), if any, tattoo, if any, sex, age, rectal temperature, color, and marking of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on the health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that they were cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.

### **CUSTOMS' FORMALITIES**

Before a horse can enter the United States, it must have an import permit, a health certificate from the country of origin (signed by a veterinarian), and a negative CEM culture taken within 30 days of import (for mares and stallions). If allowed into the country, all horses must be placed in federal quarantine at a USDA animal import center, which usually lasts two or three days. In the United States, there are four ports of entry for horses coming into this country—Los Angeles, Calif; Newburg, N.Y.; Miami, Fla.; and Honolulu, Hawaii.

Each horse brought into this country must pass through one of these USDA facilities. During that time, the horse will be tested and observed for clinical signs of illness resulting from "exotic" diseases such as dourine, glanders, piroplasmiasis, or more common diseases such as influenza. After quarantine, the mares and stallions over 731 days of age (two years) which are new to our country must undergo CEM quarantine at a separate facility.

NF's holding an international event in their country should inform their national veterinary authority and their customs authority at least four weeks prior to the event. They should request every facility to assist the movement of horses/ponies accompanied by FEI passports and the necessary veterinary certification at frontier crossing points into and out of their countries. (Vet. Regs. Art. 1004.2)

### **INSURANCES**

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date."
