AUTISM SPEAKS AT WIHS “URBAN COWBOY” PARTY

Dust off your fanciest cowboy boots, polish your biggest belt buckle and join us Wednesday evening of the show for the second annual “Urban Cowboy” party. Along with the humbling mechanical bull, there’ll be a silent auction, open bar and mighty tasty southwestern grub.

Last year’s “Urban Cowboy” party raised \$200,000 for Autism Speaks. Autism is a devastating developmental disorder that affects 1 in 150 children...a new child is diagnosed every 20 minutes.

Please note that all horses (except WIHS Equitation and Local Finals) including WIHS Children's & Adult Championships must be entered.

The U.S. Post Office date will be considered the effective date of mailing for entries received bearing a U.S. Post Office postmark as well as a postage meter date. For entries received bearing a postage meter date and no U.S. Post Office postmark, the metered date will be considered the official postmark only if received within seven days of the postage meter date.

Entries should be mailed directly to WIHS and entry questions should be directed to the WIHS.

WIHS, 16063 Comprint Circle, Gaithersburg, MD 20877
ENTRY QUESTIONS CALL:
(301) 987-9400 • Fax: (301) 987-9461 • email: info@wihs.org

Please submit a separate entry form for each horse. Forms may be copied or additional forms requested by calling (301)987-9400.

Enclose \$150 application fee (non-refundable) for each horse entered (no fee for WIHS Children's & Adult Championships). DO NOT enclose entry or stall fees at this time. All checks must be in U.S. funds and made payable to the WIHS.

Each entry form must be signed by the owner, rider, trainer and coach (if applicable) and said signature shall constitute verification that the information contained thereon is accurate to the best of the signer's knowledge and belief. Any falsification of entry information will result in disqualification of the entry and forfeiture of entry and stabling fees.

USEF measurement cards, amateur certification, and membership cards or copies must be provided to the Horse Show Office before numbers will be released.

QUALIFICATIONS

The show will limit the number of entries accepted in all sections. Qualifying lists will be posted in mid-September on the Washington International Horse Show website at www.wihs.org.

Acceptance letters will be e-mailed in mid-September to the name and address specified on the entry form. Payment in full as billed in the acceptance invoice must be postmarked by the specified date; entries not paid in full by the specified date will not be permitted to show.

Non-negotiable checks will disqualify the entry and the exhibitor will be charged a \$150 collection fee. Exhibitors with outstanding debts to WIHS will not be allowed to compete.

If the qualifying list is exhausted and spaces are still available in a section, the following alternate qualification criteria will be used:

- Any horse applying for acceptance in a section must have shown in that section within the specified qualifying time period but need not necessarily have won points.
- Horses accepted based on the alternate qualifying criteria must have submitted an entry and will be accepted on a first come-first served basis.

A mandatory office fee of \$50 will be assessed for each entry.

Hunter Champion and Reserve Champion titles will be awarded to the top two of the four horses that acquire the most points over fences in that section. In addition to these points, only these four horses receive half points for ribbons won in Model classes (full points for Regular Conformation Model class) and full points for ribbons won in one Under Saddle class. Ties broken under Article 2439.

All classes will be judged on performance and soundness unless otherwise noted.

Upon crossing the finish-line, each competitor has 20 seconds to make one attempt at the joker. If it is jumped correctly, 200 points will be added to the score, but if it is knocked down, 200 points will be deducted. The winner will be the competitor with the greatest number of points. FEI Art. 270. Fixed time: 50 seconds. Maximum fence height 1.45 m. (Exception: Joker)

Showing Fee: \$300

214 \$15,000 INTERNATIONAL-OPEN JUMPER COSTUME PAIR RELAY

This competition is for teams of two. Each team will enter the ring together. The entire course must be jumped twice in the correct order by either competitor. One change is mandatory. Competitors may change over as often as they wish. A change is obligatory whenever a fault is incurred. A fault is indicated by an audible signal at which time the other competitor continues the course from the next obstacle. In the event of a disobedience, the other competitor must jump the obstacle at which the fault occurred and then continue on course. Faults incurred are penalized by adding four seconds for each occurrence to the time of the round. Should a competitor jump an obstacle before his partner has landed over the preceding obstacle, the pair will be eliminated. The fastest overall time wins. In case of a tie for first place, there will be a compulsory jump-off over a shortened course. FEI Table C, Art. 268.5. Jumps to 1.40 m. Speed 350 meters per minute.

Showing Fee: \$300 per pair

Per pair: \$6,000, \$4,000, \$3,000, \$2,000

215 \$20,000 INTERNATIONAL-OPEN JUMPER HIT AND HURRY

Each competitor is allowed a fixed time of 45 seconds. Disobediences are penalized by the time lost by the competitor, but the second disobedience and the first fall stop the competitor. In this case, the competitor will be placed last of those who have obtained an equal number of points. If a competitor has a disobedience and displaces or knocks down the obstacle, the time must be decreased by 4 seconds and the horn sounded accordingly. When the fixed time is reached the horn will sound and the competitor must then jump the next obstacle and the clock is stopped at the moment when the horse's forefeet touch the ground. No points are given for the obstacle jumped after the horn has sounded. If the fixed time is reached at the moment when the horse is already taking off, this obstacle will count and time will be stopped at the next obstacle. If the competitor has a disobedience at the obstacle at which the clock should be stopped, the round is ended and he is placed last of those with equal points. The winner will be the competitor who at the end of the fixed time has acquired the greatest number of points in the fastest time. Maximum fence height 1.40 m. FEI Article 267.

THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

FEI RULES AND REGULATIONS

This event is organized in accordance with:

- FEI Statutes, 21st edition, revision effective May 2006,
- FEI General Regulations, 21st edition, revision effective 1st June 2006,
- FEI Veterinary Regulations, 10th edition 2006,

- FEI Special Regulations for Pony Riders and Children, 8th edition, 2006,
- All subsequent published revisions, the provisions of which will take precedence.
- An arbitration procedure is provided for in the FEI Statutes and General Regulations referred to above. In accordance with this procedure, any appeal against a decision rendered by the FEI or its official bodies is to be settled exclusively by the Court of Arbitration for Sport (CAS) in Lausanne, Switzerland.
- It is the responsibility of NFs to ensure their participants are of the correct age.

VETERINARY EXAMINATIONS, HORSE INSPECTIONS & PASSPORT CONTROLS

These will be carried out in accordance with the “Veterinary Regulations”, Art. 1011 & the discipline rules.

“General Regulations”, 21st Edition, effective 1st January 2005 will apply:

Art. 139.1

Every horse entered for any competition at CNs or CIMs (see Appendix D) in a foreign country (see GRs 141.2), and all horses entered for other Cls, CIOs, Championships, Regional and Olympic Games, whether at home or in foreign countries (see GRs 141.2), must have an official, valid FEI Passport, or a National Passport approved by the FEI and accompanied by an FEI Recognition Card and, when applicable, an FEI registration number, as a means of identification and to establish ownership.

Art. 139.2

Horses taking part in CNs and CIMs (see Appendix D) in their country of residence are not required to have such a passport as is mentioned in paragraph 1. All such horses must be properly registered and identifiable and, unless there is no national requirement for equine influenza vaccination in the host country and in the country of origin all horses must have a valid vaccination certificate.

EQUINE INFLUENZA VACCINATION, VET. REGS.

ANNEX VII (except events taking place in NZL & AUS)

All horses and ponies for which an FEI Passport, or a National Passport approved by the FEI has been issued, must have the vaccination section endorsed by a veterinarian, stating that it has received two injections for primary vaccination against equine influenza, given between 1 and 3 months apart. In addition, a booster injection must be recorded as having been given within each succeeding 6 months, subsequent to the second injection of the primary vaccination. None of these injections must have been given within the preceding 7 days including the day of the competition or of entry into the competition stables.

The above are the minimum requirements for influenza vaccination. Both primary and first and subsequent booster injections should be given according to the manufacturer’s instructions which will fall within the stipulation of the FEI ruling.

SAMPLING FOR PROHIBITED SUBSTANCES (Vet. Regs. Chapter V & VI and Annex IV)

Regular sampling is carried out in CCI3*/4*, CSIs (3*, 4*, 5*), CIOs, World Cup Qualifiers and Finals, Championships and Games, whereas at other Cls sampling is recommended. When testing takes place, the number of horses tested is at the discretion of the Testing Veterinarian/Veterinary Delegate; however, a minimum of three is recommended (Vet. Regs. Art. 1016) Special guidelines are applicable for events covered by the FEI Medication Control Programme (Groups I & II only).

MEDICATION CONTROL PROGRAMME (GROUP I & II ONLY)

The Organizing Committees of FEI events within Groups I & II are advised to charge competitors the equivalent of CHF 12.50 per horse per event as a contribution towards the costs of the MCP programme.

HEALTH REQUIREMENTS FOR THE ENTRY OF HORSES/PONIES:

United States regulations require that all equines be covered by official interstate health certificates, issued by a licensed veterinarian, showing that the animals are free from any symptoms of any infectious or communicable disease. The certificate shall include the name of the owner and address, destination, number of horses examined, the name, registration numbers(s), if any, tattoo, if any, sex, age, rectal temperature, color, and marking of each animal listed. Health certificates will become void after 30 days from issue. Health certificates must show animals to be negative to an equine infectious anemia test within the past 12 months. Date of test and approved laboratory must be shown on the health certificate. Equine Rhinopneumonitis vaccination is not required; however, if any animal is vaccinated, it is ineligible for entry within 21 days of vaccination. Vehicles transporting animals must have certificates showing that they were cleaned and disinfected under veterinary supervision prior to loading. This information can be written on the health certificate.

CUSTOMS’ FORMALITIES

Before a horse can enter the United States, it must have an import permit, a health certificate from the country of origin (signed by a veterinarian), and a negative CEM culture taken within 30 days of import (for mares and stallions). If allowed into the country, all horses must be placed in federal quarantine at a USDA animal

FEI RULES & REGULATIONS CONTINUED

import center, which usually lasts two or three days. In the United States, there are four ports of entry for horses coming into this country—Los Angeles, Calif; Newburg, N.Y.; Miami, Fla.; and Honolulu, Hawaii.

Each horse brought into this country must pass through one of these USDA facilities. During that time, the horse will be tested and observed for clinical signs of illness resulting from “exotic” diseases such as dourine, glanders, piroplasmosis, or more common diseases such as influenza. After quarantine, the mares and stallions over 731 days of age (two years) which are new to our country must undergo CEM quarantine at a separate facility.

NF's holding an international event in their country should inform their national veterinary authority and their customs authority at least four weeks prior to the event. They should request every facility to assist the movement of horses/ponies accompanied by FEI passports and the necessary veterinary certification at frontier crossing points into and out of their countries. (Vet. Regs. Art. 1004.2)

INSURANCES

All owners and competitors are personally responsible for damages to third persons caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.”

All Grand Prix held at this show are eligible for inclusion on the USEF Computer List. Certification Number 8148
